

The Baptism of the Holy Spirit

From the psalm I wrote: The Faithful Soldier...

The veil of Death is religious arrogance, blindness mostly caused by religious traditions 2Cor 2:3

Read Gal 3:14 The baptism of the Holy Spirit removes any Blindness of the soul. When we were baptized (immersion) in water, it represented our death because the water represents the Word. Since none of us are pure, sin puts us to death by the law in the Word. When we are lifted from the water it represents a new birth with our repentance. Now when we are baptized in the Holy Spirit, we emerge in God's will and Truth. When we dwell in this state we are equipped with the power and knowledge of God ready for every good work. The good work is a result of God's will working in us as a witness to His Glory. The works have nothing to do with salvation that is already secured at repentance and receiving Christ into our hearts. If we endure in our seeking the baptism of the Holy Spirit, His purpose and gifts will also be attached.

Therefore the baptism of the Holy Spirit is a most cherished goal. Don't let anyone tell you that it is not for today only times past. The Bible says the Lord is the same today, yesterday, and forever. I did not consider these things lightly before I posted them for you. Each of you are special to me.

We are headed to a tough time in our country. We will need His Armor Ephes. 6:10-17.

I know I have not sent you any teachings for a while because I started to give up over my physical challenges but the Lord has renewed my desire. I watch a great gal on YouTube named Deborah Williams whom I think you would enjoy. She is a powerful teacher. Shows to go ya women can be used mightily of God.
