

## **Destruction of a Nation**

If you have seen this illustration in the cartoon section you have observed a flag of attention which I sent to the Supreme Court of the United States twenty years ago. I felt an urgency from God to raise a warning about the laws that enforce and protect particular sins which bring judgment on a nation.

Let's talk Abortion. Jane Roe, who started the whole thing, never had an abortion and regrets starting the proceedings ultimately leading to the entire Issue. Now it has become a political football. There are now many who regret ever having an abortion but for them I say there is no sin too big for God to forgive through the sacrifice of Christ and a truly repentant heart. There is one exception. To say that the sacrifice of Christ was not enough to forgive your sin. Giving your heart to Christ will bring peace.

What is the government's part in this? How can a government provide almost a million dollars per day to an organization that is responsible for the death of an innocent baby every 95 seconds" then go to the Author of Life and say God Bless America? What god are they referring to?

People have been killing their babies since sin entered the world. Men have been sleeping with men and women with women during the same but government has no business enforcing or endorsing such behavior. This is not a minority discrimination issue. The reason they are a minority is because mankind was not created that way and our conscience tells us so.

Gen 2:24(NIV) 24

“For this reason a man will leave his father and mother and be united to his Wife, and they will become one “flesh.

At the time that I sent destruction of a nation the Lord said that time was short. Ten years ago told me He was going to strike the foundations of money, sex, and power. I was not sure what was meant by this until recent events. Many think that the earthquakes, floods, tornadoes, etc. are God's Judgment on America. I believe our judgment is coming from the leadership we have chosen and they are taking us down a path of hopelessness.

The recent events of the earth I believe are from this scripture:

Matt 24:6-7(NIV) 6 You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. 7 Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places.

The Lord calls these the beginning of birth pains. Read further references In Mark 13:8. Luke 21:11. Please look these up for yourself! Always read before and after a scripture reference. I do not want to be an alarmist but the time to give your heart to Christ is NOW! The Lord says we are to maintain until He comes. That is why we need to be involved with our political future.

Think of These scriptures:

Matt 5:44-45

44. But I tell you: Love your enemies and pray for those who persecute you.
45. That you may be sons of your Father in heaven. He causes his sun to rise on the evil and the good and sends rain on the righteous and the unrighteous.

Many need the time to see avail themselves of God's grace but I believe time has become an urgent issue.

Luke 18:7-8(NIV)

7. And will not God bring about justice for His chosen ones who cry out to Him day and night? Will He keep putting them off?
8. I tell you, He will see that they get justice and quickly. However, when the Son of Man comes, will He find faith on the earth?"

What I cannot figure why so much of the media is pushing the antichrist spirit unless they are owned by those who are being controlled by a wrong spirit thinking their motive is for power. Jesus said:

Luke 11:23(NIV)

23. "He who is not with me is against me, and he who does not gather with me scatters.

A bad place to be is against an all-powerful God and His children!

It is impossible to separate God from politics. Our Forefathers knew this and the only way to deny this fact is to lie about our history. Go to Wallbuilders.com and look for David Barton's American Heritage Series.

I want to close in saying may God honor the sincere prayer of the humble heart.

Read Daniel 10:12 and put your name in there. Then read 2 Chronicles 7:14 and Pray!

Sincerely Rev. Callender
