

Mr. President,  
Bob Smartpants here  
Now that you worked with  
the Democrats do you  
think you will get your way  
with other issues. Will  
your party trust you to get  
in line with their policies  
for their votes.

Bob,  
Not everyone is concerned  
about the will of the peopole  
and media bias is used  
to intimidate and distort!
